How to redeem the voucher?

If you register a new account, please enter the voucher code "christmas2020" during step 2 of the registration process. The code is only valid for new registrations until 10. January 2021. You will get a benefit of 6 EUR. The amount will cover the charges for using the basic tariff Secure Mail for 6 months. Note that the balance increase granted through the voucher is not transferable or refundable.
